WORK EXPERIENCE

Frontend Web Developer Intern
Sikhbe Shobai Training Institute

02/2021 - Present   *Banani, Dhaka*

I'm working here as a Freelance Web Developer. Worked from home due to COVID19, continuing remote job. Trained as a student, later joined as an Intern

Key Responsibilities:
- Translated customer requirements into technical site concepts for bidding and initial planning purposes.
- Determined coding requirements for site creation, e-commerce capability, security and specialized scripts.
- Developed site navigation by categorizing content and funneling traffic through content.
- Collaborated with design and project developers to understand project scope and offer elegant, creative and scalable solutions.
- Worked with graphics and UI/UX designers.
- Troubleshooting problems, maintain and updating websites.

Contact: **Shohag Hasan, Mentor - +8801941583987**
